PRELIMINARY AMENDMENT

Dear Sir:

<u>-</u>-

Please amend the above application as follows:

IN THE CLAIMS

Please amend claim 5 as follows:

5. A gaming system according to claim 3 wherein the telecommunications link is one of an ISDN link, an ASDL link and an IP link.

Please amend claim 7 as follows:

7. A gaming system according to claim 4 wherein:

said croupier station incorporates a croupier card reader/recorder interface,

participation in a game by the croupier is conditional upon the croupier employing an electronic croupier purse incorporated within a croupier chip-card,

said croupier chip-card also incorporates pre-recorded biometric data characteristic of the croupier as an individual human,

participation in the game by the croupier is further conditional upon computermediated matching of biometric data derived from the croupier with said pre-recorded biometric data, when the croupier employs said croupier chip-card to access the game, and
